Other Medications!

Welcome to KonnectMD

As a member of KonnectMD, there is no need to worry about the high prices of medications. That's because we created an **ACUTE Medication Program** that provides 37 commonly prescribed drugs at no charge, plus incredible discounts on all other medications.

You can view all medications in this program by logging into your account at **KonnectMDRx.com**. Feel free to print and take that formulary to your physician to help them prescribe a listed medication so you can stay within your budget.

This Program is Easy to Use

You will receive an email with a link to your personalized Rx Card and instructions on how to set up your online medicine cabinet. Your electronic Rx Card can also be found by logging onto our website at **KonnectMDRx.com**. Just click on your username in the upper-right and then click 'Membership Card.' This card may also be used for everyone in your family/household.

The Rx Card will display your BIN, PCN and Group Number to present to the pharmacist. You can present this card to virtually any retail pharmacy (over 70,000 in network) and if on the formulary, you'll pay the listed co-pay. If your medication is not on the formulary, your out-of-pocket cost is based on a deeply discounted price.

We also offer a **Prescription Assistance Program (PAP)** for many medications over \$200. If you are on one of these costly drugs, visit **KonnectMDRx.com** and chat with our Customer Care team to get the information you need. You could save hundreds, maybe thousands a year.
